Welcome to WEEK ONE!
We are very excited to finally welcome you in person.

Are you ready to ignite your spark?
Over the next few days, you’ll get to know the Clark community and what life at Clark is like. You’ll attend programs and activities to help you settle in and feel comfortable; hear about issues you may encounter during your college experience, and the resources available to help you address them; and begin your journey toward embracing intellectual life at Clark — both in and out of the classroom.

While you learn your way around, you’ll meet future classmates and friends, and discuss your academic and cocurricular interests with faculty, staff and your peers.

You have chosen to attend an institution with a rich, vibrant history, where extraordinary students and scholars have illuminated the path to discovery, challenged convention and truly changed the world. We encourage you to take advantage of the people and offerings that make Clark truly memorable

—and ignite your spark.
